Description

Organic high fibre green shake. Nutri-Green is Sunny Day Supplements flagship product! Nutri-Green Organic powder is no ordinary green shake - this high fibre combination contains 35 green foods, fruits, berries, herbs, seeds and bio-active enzymes in a single serving (see below) - organic vegan nutrition made easy, with naturally high food form vitamin C content, as well as plant protein. All of the food ingredients are organic (Soil Association registered) and in concentrated powder form. A great all-round supplement to support immunity, digestion (bulk) and optimal nutrition. As well as providing phytonutrients (such as chlorophyll), per 100g it provides 9.1g of plant protein, 59g of carbohydrate (with just 12.5g sugars) and 17.1g of fibre (making it a high fibre food).
